LEADERSHIP DEVELOPMENT

by Pauline Weddell

We at Learn To Grow believe that leaders do a tremendous and fantastic job in service to their oganisation. We do not believe that leadership development is deficit orientated. Fixing leaders if not what we do. Rather, we know that markets are changing The business environment changes. Customers' behaviours are changing, and so do corporate strategies.

Learn To Grow helps your leaders to grow and develop to lead your oganisation in an ever changing and competitive business environment.

We tailor your Leadership Development Initiatives for each target group's needs, taking into consideration the organisation's overall strategy and business objectives, while making sure our programmes are experiential based and combine intelligent new ways of hybrid-learning for a unique experience.

OUR LEADERSHIP PROGRAMS

OUR LEADERSHP PROGRAMS

by Pauline Weddell

LEARN, EXPLORE, APPLY & PERFORM PROGRAM

Our LEAP program is aimed at middle managers and is delivered over 6-months. The program has a choice of modules including;

- Manager as Coach
- Communication
- Building High Performing Teams
- Leading Through Uncertainty
- Absence Management
- Finance for Non-Financial Managers
- Managing a Virtual Team
- Managing Generations

The great thing about this program is that you can choose the 6-modules most suited to your organisational needs. Each program has a dedicated facilitator & coach who are there to support the team on their development journey.

LEADING FOR RESULTS PROGRAM

Our LFR program is aimed at experienced managers who now need to move the team onto the next level of performance. This program is delivered over 4-months with work related assignments built in along the way. The program includes the following modules;

- Building Better Work Habits
- Business Presentations
- Coaching Skills for Managers
- Creative Thinking

This program really encourages participants to focus on existing or emerging work-related projects that we can work on together to gain real traction. It's practical and very engaging.

We also deliver a wide range of 1-day workshops on various leadership topics and we are happy to discuss your specific needs so that we can tailor a program to your requirements.

If you want to know more about any of the above programs or to discuss your development needs then why not contact us for a free informal chat.
